LONG SLEEVE
WELDING JACKET

Flame-Resistant Material with FR Mesh Backing for Optimal Breathability

LONG SLEEVE WELDING JACKET

Klein Tools' Long Sleeve Welding Jacket is made from Flame-Resistant (FR) cotton twill, which is ASTM F1506 Sec. 7.6 compliant. The back of the jacket features breathable FR mesh for added air flow. Adjustable metal snap-button cuffs and collar offer the end user a proper fit and protection from sparks and weld spatter. The jacket includes interior pockets.

Adjustable collar for added neck protection

Adjustable cuffs for secure fit

Interior pockets for protected storage

FR MESH FOR OPTIMAL BREATHABILITY
