**Long Sleeve Flame-Resistant Welding Jacket**  
03078 (L), 03079 (XL)

- Made from 100-Percent FR cotton twill, compliant with ASTM F1506 Sec. 7.6
- Breathable FR mesh on back of jacket improves air flow
- Adjustable collar with three metal snaps for a comfortable and secure fit

**Short Sleeve Flame-Resistant Welding Jacket with Removable Welding Sleeves**  
60786 (L), 60789 (XL)

- Made from 100-Percent FR cotton twill, compliant with ASTM F1506 Sec. 7.6
- Breathable FR mesh on back of jacket improves air flow
- Adjustable collar with three metal snaps for a comfortable and secure fit
- Includes FR Cotton Welding Sleeves (Cat. No. 60845)

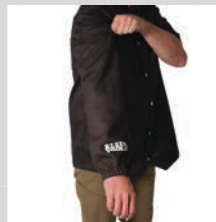

**TIG Welding Gloves**  
60912 (L); 60913 (XL)

- Full-grain cowhide delivers superior dexterity for precise torch control
- Cowhide leather cuff protects from sparks and spatter
- Kevlar® Aramid thread stitching for flame-resistance and durability
- Reinforced outer wrist adds extra protective layer to reduce wear and tear

**MIG Welding Gloves**  
60914 (L); 60915 (XL)

- Split-cowhide construction provides maximum heat resistance for high-intensity MIG and stick welding
- Cowhide leather cuff protects from sparks and spatter
- Kevlar® Aramid thread stitching for flame-resistance and durability
- Reinforced palm, thumb, and index finger withstand the demanding wear patterns

**Flame-Resistant Cotton Welding Sleeves O/S**  
60845

- Made from 100-Percent FR cotton twill, compliant with ASTM F1506 Sec. 7.6
- Elastic arm cuffs provide a secure fit
- For use with Klein Tools' Short Sleeve Welding Jacket, (Cat. Nos. 60788, 60789); sold separately

**Flame-Resistant Leather Welding Sleeves O/S**  
60834

- Made of FR leather compliant with ASTM F1506 Sec. 7.6
- Elastic arm cuffs provide a secure fit
- Sleeves offers protection from weld spatter and sparks
- For use with Klein Tools' Short Sleeve Welding Jacket, (Cat. Nos. 60788, 60789); sold separately

**Flame-Resistant Welding Cap O/S**  
60898

- Welding Cap constructed with FR cotton for comfort and protection
- Internal elastic band to ensure proper fit
- Padded sweatband for long-term comfort and absorption
