360 DEGREE CUTTING
IN 5 DEGREE INCREMENTS

Heavy-Duty Pipe & Hose Cutter

No. 118

Cuts PVC, CPVC, Polyethylene, PEX, and ABS

The cutter's 12" handles provide maximum leverage and allow you to apply heavy pressure to the cutting material. The unique five-click ratcheting system amplifies your arm strength for faster, cleaner cuts.

NEW!

- Cuts pipe up to 2"
- Ratcheting system ensures quick, clean cuts
- High carbon steel blade maintains sharpness and resists chipping
- Extended handles create extra leverage for cutting heavy wall pipe
- Locking strap for safe storage

No. 118

No. 118BG

Plastic Pipe & Hose Cutter No. 119

Cuts PVC, CPVC, Polyethylene, PEX, and ABS – Includes 1 Extra Blade & Hex Wrench!

The cutter's eight-click ratcheting mechanism allows you to maximize grip pressure on the pipe for a smooth, clean cut. The tool also has a recess on the face for performing angle cuts.

NO. 119BG

NO. 119

- Cuts pipe from 1/8" to 1-5/8"
- Quick blade reset feature enables one-handed operation
- Ratchet system holds blade in place while you adjust your grip to increase pressure
- High carbon steel blade maintains sharpness and resists chipping
- Handle is ergonomically designed for comfort and grip pressure
- Handle locking strap for safe storage
- Easy blade replacement

Trigger Action Plastic Pipe & Hose Cutter No. 117

Cuts PVC, CPVC, Polyethylene, PEX, and ABS

Easily fits into tight spaces – Quick blade replacement.

- Cuts pipe up to 1-5/8"
- Ratcheting system ensures quick, clean cuts
- High carbon steel blade maintains sharpness and resists chipping

- Adjustable switch allows you to set blade stop for pipes 1" and smaller for faster cuts
- Handles feature a textured, non-slip grip

NO. 117

NO. 117BG

*"It's your job . . .
General Tools make it easier"*

Flexible Hose & Tubing Cutter **No. 115**

Cuts PVC, PEX, ABS, Polyethylene Tubing and Flexible Rubber

- Curved holder supports hose for square cuts
- Long handles for added leverage
- Capacities: Polyethylene and ABS pipe 1-1/2", PVC pipe 1-1/4", rubber hose 2"

NO. 115

NO. 115B

Ratcheting Plastic Pipe & Hose Cutter **No. 1191**

Cuts PVC, CPVC, Polyethylene, PEX, and ABS

The extended handles provide extra leverage for tough cuts. The six-click ratchet holds the blade while you adjust your grip to increase pressure. Aluminum body is lightweight and corrosion resistant.

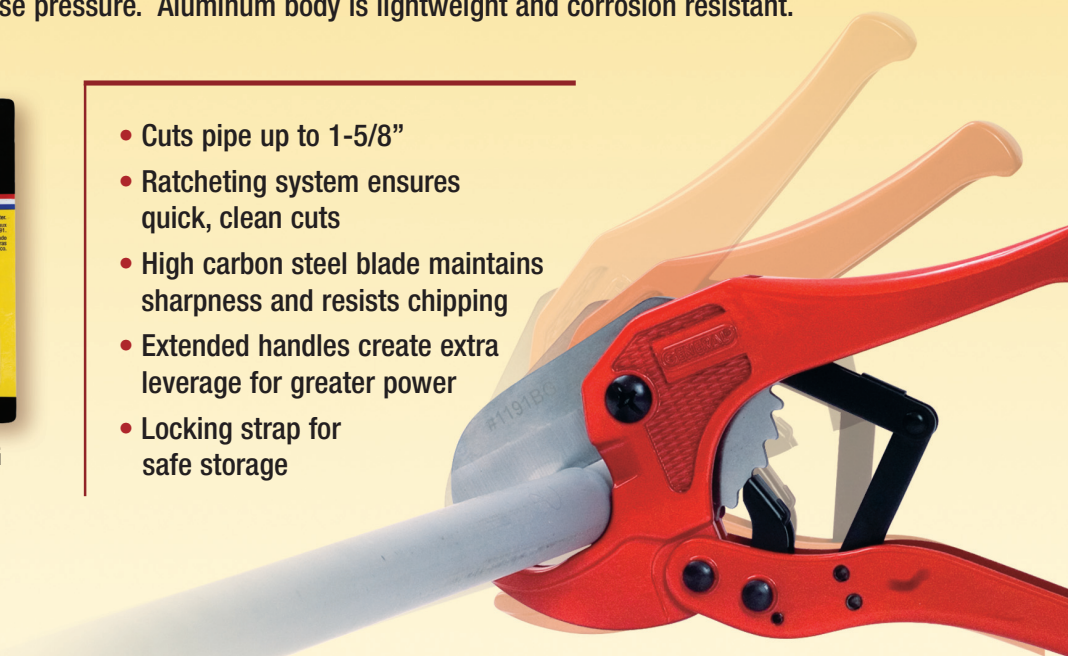

NO. 1191

NO. 1191BG

- Cuts pipe up to 1-5/8"
- Ratcheting system ensures quick, clean cuts
- High carbon steel blade maintains sharpness and resists chipping
- Extended handles create extra leverage for greater power
- Locking strap for safe storage
