

6-POCKET TOOL APRON

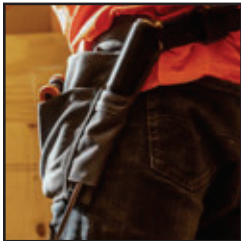

Designed to keep tools and parts close at hand

The 6-Pocket Tool Apron is crafted from durable duck canvas that is soft, flexible, and moves easily with the wearer. The pockets are designed to access and organize tools efficiently. Duck canvas is double-layered, with seams stitched and riveted to withstand the toughest jobs. Additionally, they include a removable tape measure loop on the adjustable belt, which fits waists ranging from 28" to 46" (71 to 117 cm).
