TWISTER® PRO FAMILY

WIRE CONNECTORS

The Twister Pro® and ProFLEX™ family combines the most comfortable wire connector from IDEAL Electrical with the widest wire range of any multi-colored connectors in the industry. These connectors are designed with a live-action spring and high-leverage wings that provide excellent grip and torque. The ProFLEX™ line up is also engineered with a flexible skirt for added protection, providing performance professional electricians can trust.

Features:

- Widest Wire Range of any multi-colored wire connectors in the industry
- Model's 343, 345, 347 and 348 flexible skirt provides improved protection and adapts to fit electrical boxes with limited space
- Swept wing design with SureGrip™ overmold offers greater comfort, leverage, and torque for faster connections
- Expanding square-wire spring and polypropylene shell deliver a secure connection every time
