IDEAL Electrical's DEADEYE[™] Collection delivers the highest quality power cutting tools on the market. We take pride in creating innovative, accurate and long-lasting products so you can **take pride in your work.**

The DEADEYE[™] Carbide-Tipped Hole Cutters offer the best cost-per-cut advantage and premium features making cutting through the toughest metals simple, fast and efficient.

Advanced designs including the integrated arbor, SmoothStart[™] pilot bit and multi-directional carbide teeth ensure the quickest and most accurate cutting, even on aggressive materials. High-quality materials and coatings including tungsten carbide teeth and DEADEYE[™] finish pilot bit provide the ultimate longevity.

Six-flat shank provides a quick and secure hold

One-piece design reduces vibration ensuring the most accurate cut

Expanded cutting depth up to 6 ga. material with over 1" effective length

SmoothStart[™] pilot bit with DEADEYE[™] finish provides a quick start and long life

Multi-directional tooth design for the fastest cut through aggressive materials including stainless steel

PROVEN SUPERIOR QUALITY WITH THE BEST COST SAVINGS ADVANTAGE

TAKE PRIDE IN YOUR WORK

The DEADEYE™ Carbide-Tipped Hole Cutters feature our most advanced design allowing for multiple continuous cuts in aggressive materials without overheating.

When tested in heavy gauge stainless steel, the DEADEYE™ Carbide-Tipped Hole Cutters work faster and remain cooler preventing discoloration caused by overheating the metal.

For high quality and a professional end result, choose DEADEYE™ Carbide-Tipped Hole Cutters..

5 CUTS	15 CUTS	25 CUTS	Tested in 1/8 in. stainless steel plate cutting continuously w/o cutting fluid.
			
			
			

DEADEYE™ Carbide Hole Cutters

Part Number	Hole Diameter	Application Diameter
36-800	3/4"	—
36-801	7/8"	1/2"
36-802	1"	—
36-803	1-1/8"	3/4"
36-813	1-7/32"	—
36-805	1-3/8"	1"
36-808	1-3/4"	1-1/4"
36-809	2"	1-1/2"
36-810	2-1/2"	2"
36-812	DEADEYE™ Replacement Pilot Bit	

DEADEYE™ Carbide Hole Cutter Kits

Part Number	Description
36-811	4-Piece Kit - includes 7/8", 1-1/8", 1-3/8" and replacement pilot bit
36-814	8-Piece Kit - includes 7/8", 1-1/8", 1-3/8", 1-3/4", 2", 2-1/2" and two replacement pilot bits

The DEADEYE[™] Magnetic Chip Collector securely attaches to magnetic surfaces and collects metal chips while cutting.

- Works with up to 2-1/2" diameter cutters
- Minimal profile provides improved visibility and access to workspace
- Integrated keychain loop

Part Number	Description
36-815	DEADEYE [™] Magnetic Chip Collector

Protects exposed wires, cables and equipment from hot, sharp metal

Prevents hot metal chips from falling on exposed skin

Keeps workspaces clean and free from debris
